Call for Peer and Self Nominations

SDBP Board of Directors

The SDBP Nominations Committee is pleased to request peer- and self-nominations for the President-Elect and 2 members of the Board of Directors for 2022-2023.

As the SDBP continues to evolve and grow, the Board of Directors will continue to need high caliber members whose backgrounds, skills and experience match the SDBP's mission and its current and future needs. Service on the SDBP Board of Directors demands a commitment of time and talent to advance the goals and objectives of the organization.

The Board values leadership that reflects the interprofessional, racial/ethnic, gender, geography, and age, and other aspects of diversity within SDBP, and has identified that it would be beneficial to have individuals represented on the Board who have knowledge, experience, and/or interest in DBP Practice, workforce issues, education of trainees, technology, and research.
